# Pacific Quilt, Craft & Sewing Festival

November 19, 20 & 21, 2009

at the Clark County Fairgrounds

(Exhibit Hall)

Thursday, Friday, & Saturday — 10:00 am - 5:00 pm

## WELCOME:

The Rusty Barn Promotion Group, Inc. welcomes you to the Quilt, Craft and Sewing Festival at the Clark County Fairgrounds.

At our show you will find a wide variety of Quilting, Sewing, Needle-art and Craft supply exhibits from many quality local and national companies. In addition, you will have the opportunity to participate in one or more of the many "Make and Take" Workshops or FREE educational Seminars.

Your ticket is good all three days of the show — so please take your time and don't miss any of the exciting new products, techniques or educational ideas.

## FREE EXHIBITOR SEMINAR DESCRIPTIONS

### ACCURATE ROTARY CUTTING

Carol Bledsoe (booth #701)

Accurate cutting is essential for successful quilting. If your pieces are cut correctly, your quilts will go together more easily. Carol Bledsoe with Sew EZ Quilting, Inc. will explore some of the tools that will make your cutting more accurate.

Classroom #1, 2:00 p.m.

### BASTED NEEDLE TURN APPLIQUE

Geri Richardson (booth #115)

Basted Needle Turn Applique is the most portable and accurate applique technique out there. You only trace your pattern one time. No need for templates, freezer paper, overlays or any of the other placement materials. Needles, thread, scissors, fabric and a way to trace once is all you need! Please see me in booth #115 for more information.

Classroom #1, 12:00 noon

### ELEGANT IRIS WITH HOT RIBBON APPLIQUE TECHNIQUE

Lennie Honcoop (booth #401)

Learn an easy way to complete an appliqué project without sewing. Hot Ribbon has become THE method for finishing off the raw edges from appliqué without sewing, while at the same time giving that extra special look to your appliqué! Learn how to look at fabrics to find the pattern

that will add realism to your design. Find different ways to use Hot Ribbon in your quilt, and shading techniques with permanent markers to give your design that right tone and hue.

Classroom #2, 1:00 p.m.

### FABULOUS FIBERS FOR COUCHING, MACHINE EMBROIDERY, CROSS STITCH, SMOCKING & MORE

Nancy McElhinny (booth #501)

Break away from the traditional threads and enjoy the experience of using fibers that you've never tried before. Suggestions for bringing your projects to life using some of our textured fibers like Avanti, Peluche and Son Sensation as well as our fabulous variegated ribbon and trims. Free samples, open discussion and lots of examples for you to see.

Classroom #3, 12:00 Noon

### FUN THINGS TO DO WITH A RECYCLED SWEAT SHIRT!

Connie Spurlock (booth #E)

Christmas stockings, Advent calendars, jackets, coasters and even a Christmas tree skirt. We will show you some fun new patterns and ideas to get your recycling juices going.

Classroom #1, 11:00 a.m.

### GET TO THE POINT

Teri Chandler (booth #E)

Love your quilt but don't have those points turn out so well? Paper piecing is an easy technique that anyone can do because the expertise is in the pattern and does not depend on the person. We will show you how to put fabric on the pattern, enlarge and reduce and make those points come out perfectly. You'll love the technique!

Classroom #1, 1:00 p.m.

### GOT PHOTOS? SIMPLE & EASY SOLUTIONS!

Lane Hill (booth #604)

Come join us for a fun and exciting class on turning your digital photos into something special. We'll show you how our simple and easy to use Memory Mixer software solution can help you take those stored photos (from your camera or computer) and in literally a few minutes and a few mouse clicks... help you create a one, two, or even a several page, full color scrapbook album. In minutes, you can take your family digital photos and easily create something beautiful and wonderful. Who knew scrapbooking could be so easy and so fun!

Classroom #3, 1:00 p.m.

### IT'S NEVER JUST A SWEATSHIRT WITH FABULOUS FIBERS

Nancy McElhinny (booth #501)  
Sweatshirt jackets are in, so break away from traditional methods and enjoy the experience of using embellishments you have never tried before! This lecture & trunk show takes you through the steps of buying, tailoring and embellishing your sweatshirt in many different ways. Nancy encourages questions!

We guarantee you will be inspired as she walks you through the many ways her models have been created. Free fiber samples, open discussion and lots of examples for you to see. Classroom #3, 2:00 p.m.

### QUILTING "CHARLIE'S" WAY

Raylene Bement (booth #126)  
Come and learn the quick and easy basic technique for making everything from small pincushions to large bedspreads and quilts plus everything in between! Unlimited possibilities. See how you can

achieve the look of Ole Traditional patterns the "Less Than Traditional" way. Make circles, quilt as you go and never any binding necessary. Haven't tried it yet or just want a little review? Now is your chance! No experience necessary, all skill levels! Fun for everyone. (Class 1)  
Classroom #2, 12:00 Noon

### SOLAR PRINTING & SILKSCREENS

Sue Purdy (booth 904)  
Sue will show you more in depth how to create your own silkscreens and how to use the sun to print. If the sun is out, we'll go outside and see actual demos. If the sun isn't out, she'll show you how to use another light source to print and make silkscreen. Put on your walking shoes, this class doubles as exercise.  
Classroom #2, 11:00 a.m.

### THE "LESS THAN TRADITIONAL WAY"

Raylene Bement (booth #126)  
You've seen samples of all kinds,

you've watched the in-booth demos, you've come to the mini classes, you've tried it, you've liked it... Now, come see more! Circle Flannel Quilts (Make in an evening); New spacer squares—all 3 sizes (a must have item); Flowers and Other things Booklet (complete with templates); Evening Fusion Quilt (Moon and Stars). And on and on we go! Warning, side effects can be addicting! (Class 2)  
Classroom #2, 2:00 p.m.

### WHICH QUILTING MACHINE IS RIGHT FOR YOU?

Montavilla Sewing Center (booth #204)  
Come by our booth #204 to register for this class "Which Quilting Machine is Right for You?" We will cover the important considerations when choosing a quilting machine. This is a class not to be missed!
